Notes

The Adventure Centre Chalets have 2 showers and 2 toilets in each. The Main Building has a room, ideal for leaders, with 2 beds. It also has a fully equipped kitchen and a dining/living room area, perfect for meetings/sessions. Braai facilities are available, but campers are responsible for supplying their own wood/charcoal. Please note, on booking the Adventure Centre, you are unfortunately not entitled to use the facilities of the main centre (shaded on the map). We would advise considering this when planning your program.
